Dear Mr Horton,

Following on from the recent Abbey Line CRP Steering group meeting held on 18th October 2016, I am writing on behalf of the CRP and Chairman to update you on AbFly’s decision to withdraw its membership as discussed at the meeting.

It was the unanimous view of the members of the Community Rail Partnership that it would be beneficial for AbFly to remain as members of the CRP.

The current Chairman, Cllr Derrick Ashley was willing to step down if this was the view of the Partnership. However, the members did not feel there is a conflict of interest as a group with the current Chairman for the time being. It was noted that the Transport Vision 2050 is a consultation document rather than adopted county council policy.

The Community Rail Partnership will welcome your continued support especially now as we have a new Hosting Organisation and Officer in place to move the operations and future of the Abbey Line forward.

We look forward to receiving your response on your membership of the Abbey Line CRP.

Yours Sincerely,

Edna Woname
Abbey Line CRP Officer
